

KIDS FIRST KENTUCKY

PUTTING KIDS **FIRST** IN KENTUCKY.

2022 Priorities for Kentucky Legislative Session

OUR MISSION

Kids First Kentucky is an initiative by the Kentucky Association of School Superintendents (KASS) to make sure our children and teachers can be at their best every day.

GOALS IN 2022:

1 Fully fund transportation.

Students should be focused on learning without worrying how they will get to school. We need to fully fund transportation so students can safely get to and from school.

2 Increase per pupil funding.

Despite the progress included in House Bill 1, SEEK funding still needs to increase to \$4,700+ to equal the 1990 SEEK base of 32 years ago.

3 Empower our schools.

Education is not one-size-fits-all and every county is different. We need to provide the resources to help schools and superintendents ensure student success in the classroom, workplace and community.
