

KIDS FIRST KENTUCKY

PUTTING KIDS **FIRST** IN KENTUCKY.

2023 Priorities for Kentucky Legislative Session

OUR MISSION

Kids First Kentucky is an initiative by the Kentucky Association of School Superintendents (KASS) to make sure our children and teachers can be at their best every day.

GOALS IN 2023:

1 Get Funding for Public Education Back on Track

The Kentucky General Assembly needs to prioritize public education funding so that every student can reach their full potential at school, home and in the community.

2 Recruit & Retain High-Quality Teachers

Until the Kentucky General Assembly addresses the Commonwealth's teaching and staffing crisis, our students, schools and economy will continue to fall further behind.

3 Focus on Student and Staff Wellness and Safety

It's imperative that the Kentucky General Assembly provides access to mental health support services to make sure students and staff can be at their best physically, psychologically and emotionally.
