

## **Customizable Phone Call Script: KASS Priorities**

Hello, my name is XXXXX, and I am calling to leave a message for Senator/Representative XXXX

As a parent/teacher/administrator/other and your constituent, I believe our kids are the future of our state. That's why I'm counting on you to support the priorities of Kids First Kentucky, an initiative of the Kentucky Association of School Superintendents.

- 1. Stabilize education budgets now to avert a catastrophic funding cliff for school districts.**
- 2. Recruit and retain high-quality public-school teachers and staff.**
- 3. Focus on student and staff safety and wellness.**

Please commit to supporting these measures and acting in the best interests of our kids, parents, teachers, and staff. We're counting on you!
