

PUTTING KIDS **FIRST** IN KENTUCKY.

2024 Priorities for Kentucky Legislative Session

OUR MISSION

Kids First Kentucky is an initiative by the Kentucky Association of School Superintendents (KASS) to make sure our children and teachers can be at their best every day.

GOALS IN 2024:

1 Focus on Kentucky Public Education Funding

Kentucky public schools remain chronically underfunded. From student transportation to school safety needs, lawmakers need to make sure that Kentucky students, teachers and staff can be at their best in and outside the classroom.

2 Recruit and Retain High-Quality Public School Teachers and Staff

Kentucky public schools are facing a teaching and staffing crisis. Across the Commonwealth, people are exiting the teaching profession or choosing to forgo a career in public education all together.

3 Unleash Lifelong Learning

The future is now. Growing the economy is dependent on ensuring generations of Kentucky kids develop into the next generation of leaders.
